# The Pottery Painting Place Summer Crafts Camps 2012

Join us this summer for the most artistic camp around!

Our camps allow the participants to work in a variety of craft media including but not limited to: ceramic painting, clay building, t-shirt painting, mosaics, and glass fusing. Please make sure all children wear clothing that can get dirty. Our goal is to have a creative fun experience for everyone, and while most crafts are washable, the crafts can get rather messy.

All camps are designed and recommended for children 6-12 years of age. Children aged 4-5 years old will be allowed only with the attendance of an older sibling.

Camp is arranged by the week, but you are welcome to join us for just a day (based on enrollment availability).

We do not provide a lunch, so we ask that you pack a nut-free meal or snack based on your child's health concerns. Please bring any allergy or health concerns to our attention especially if it may affect the other children attending.

Be the first to know next year!
